	Filing Date:	
	Art Unit:	
	Examiner Name:	

As a below named inventor, I hereby declare that my residence, mailing address, and citizenship are as stated below next to my name, and that I believe I am an original, first, and sole inventor (if only one name is listed below) or an original, first, and joint inventor (if plural names are listed below) of the subject matter which is claimed and for which a patent is sought on the invention entitled:

**AEROSOL DISPENSERS AND ADAPTORS THEREFOR**

The specification of which **CHECK only ONE Box below** – unlike assignment which can have 2 boxes checked for some applns

☐ is attached hereto; **CHECK if sending formal papers with an original application filing**

☐ was filed on \_\_\_\_\_ **CHECK if sending as Missing Parts (expect for a 371 in which case you check the next box)**  
as United States Application No. \_\_\_\_\_

☒ is identified as PCT International Application No. \_\_\_\_\_ **PCT/US2003/025502**  
filed on **August 13, 2003** **CHECK if formal papers are for a US 371**

and was amended on \_\_\_\_\_ (if applicable).

I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR § 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

I hereby claim foreign priority benefits under 35 USC §§ 119(a)-(d) or (f), or 365(b) of any foreign application(s) for patent, inventor's or plant breeder's rights certificate(s), or 365(a) of any PCT international application which designated at least one country other than the United States of America, listed below and have also identified below, by checking the box, any foreign application for patent, inventor's or plant breeder's rights certificate(s), or any PCT international application having a filing date before that of the application on which priority is claimed.

Insert prior foreign application(s) to which priority is claimed -- attach certified copy -- for example, when claiming priority to Japanese appln. (NOT REQUIRED in a 371 National Stage Filing.) NOTE: It is rare to check the box in the fourth column --because we would be indicating that priority is NOT claimed to that particular appln. IF YOU NEED A CERTIFIED COPY BUT DON'T HAVE IT AT THE TIME THE PAPERS ARE BEING SIGNED, CHECK 'NO' AND SEND THE CERTIFIED COPY UNDER SEPARATE COVER CHECK APPROPRIATE BOX
